

SAMPLE SOURCE AUDITORS™
A DIVISION OF **Mktg.**
Incorporated

Mktg. Inc. wishes you a Very Happy and Prosperous New Year! It's always good to start off with a laugh!!! This falls under the category of "we think we have online data quality problems!!!"

By Google Alert!, we received some incredible news from hotaweb.com, what a start, it's big! The folks at hotaweb.com appraised our website as worth a nice round, \$1,873,430. Our tiny company has hit the *big time*. We were now caste into the online hall of fame by hotaweb.com who has declared that traffic on our website has reached the astonishing threshold of 58,544,662 monthly page views! Take a look below. It must be the truth, there are graphs and everything! We've decided to accept the data and put it on our website. It's very convincing you know. After all, how can online data be so wrong? www.mktginc.com --- <http://www.samplemetrics.com>
